cmpp presents
**FIBER'S
MELODY**

LISTEN FOR THE FIRST TIME TO
THE VOICE OF THE TREES
AT CMPC WE HAVE BEEN WORKING WITH FIBER
AND ITS VERSATILITY TO CREATE, EVEN MUSIC,
FOR MORE THAN 100 YEARS

Fiber's Melody uses fotocaptor technology to read the veins
of a tree trunk, transforming the ancient, secret sounds of
the forest into music for the human ear.

ABOUT US

CONSTANZA ARJONA
SUPPLY CHAIN DIRECTOR CMPC CELULOSA

**Could you tell us a little about you and your experience
and roles within Logistics?**

I have a Business and Administration degree with 15 years working in logistics,
strategic planning and operational excellence. Always have been motivated to work in
companies that are constantly seeking new ways to generate value through their
logistics service with collaborative work.

**The recent pandemic has inflicted considerable pressure on supply
chains and logistics. What can be learned from these challenges?**

I think from all crises we can find huge opportunities to improve. The pandemic has
showed us, the importance of fluid communication, collaborative work with our
customers and innovation to meet their needs
